ABOUT

AUBREY DEAN PHOTOGRAPHY

Aubrey Dean Photography, led by founder Aubrey Clifton, specializes in high-quality event, portrait, and landscape photography. With over a decade of professional experience and a proven record of working with cities, nonprofits, and businesses, our mission is to provide reliable, timely, and visually compelling media that enhances community engagement.

AUBREY DEAN CLIFTON – FOUNDER, LEAD PHOTOGRAPHER

Aubrey Clifton is the founder of Aubrey Dean Photography, specializing in professional event, portrait, and landscape photography. With years of experience serving community organizations, businesses, and cultural institutions, he delivers high-quality visuals that highlight excellence and tell authentic stories. His work is guided by professionalism, reliability, and a commitment to supporting the City of Richmond's vision through creative media services.

MEET THE TEAM

TRAVIS GRAYSON – ASSOCIATE PHOTOGRAPHER

Travis Grayson is an experienced photographer with over six years in portrait, event, and landscape photography. He supports Aubrey Dean Photography with candid coverage, editing, and retouching that ensure projects are delivered on time and with consistent quality. His reliability and versatility make him a strong complement to the team's capacity for City projects.

OUR SERVICES

Photography

Professional coverage of public events, official portraits, and community gatherings. We specialize in capturing candid moments and staged shots with technical precision, ensuring images are ready for City publications, reports, and outreach.

Editing & Post-Production

Comprehensive editing, retouching, and color correction. We guarantee online proofs within 48 hours and final delivery in both RAW and high-resolution JPEG formats, fully watermark-free and compliant with City ownership standards.

Videography

Short event highlights, campaign reels, and storytelling content that bring community initiatives to life. Our video services help the City share its message across digital platforms with clarity and impact.

Archiving & Delivery

Secure storage and redundant backups protect against data loss. Files are organized and delivered through reliable online galleries, ensuring City staff has fast access to media whenever needed.
